Dear Commodore Schumaker:

I greatly enjoyed our recent conversations with you and your colleagues at the Naval Postgraduate School. Under your guidance, the School is making a distinguished contribution toward the graduate training of military professionals.

We had a good exchange of views with Professors Weinberg, Blandin, and Daniel, as well as with Captain Schuetz, USN. Their professionalism and dedication were most impressive.

Please express my sincere thanks to Dr. Weinberg for his assistance in arranging the visit and to the members of your staff for their fine support.

With warm regards,
